

*The greatest sign of success for a teacher...
is to be able to say, 'The children are now
working as if I did not exist. ~ Maria
Montessori*

With only 6 weeks left in school, we have just 3 big things left to talk to you about before we wrap.

FIRST - Teacher Appreciation Week is next week. Please remember not only the great work your children's Teacher and Teacher Assistant have done all year, but also their Specials Teachers, EC and Academic Support Staff, and our Administrative Staff who make Island Montessori what it is. You can click [this link here](#) to see some of the suggested ways that our IMS Staff likes to be appreciated from simple thank you notes to gifts that are most welcomed.

SECOND - Your children will soon find out if they have earned the Read Around the Bases FREE tickets to the Wilmington Sharks game on June 12th. If they did not, we still hope that you'll come out to celebrate the START OF SUMMER with us. Below you can find the ticket order form (*also available at the front desk*) for the game which you can turn into the FSA Box near the front desk of the Charter School. If your child DID earn the RAB tickets, but you'd like more for friends, family, neighbors, etc; you can still purchase additional tickets from FSA to help raise money for our school. That night we will also be running the 50/50 Raffle as our final fundraiser of the 2022-23 School Year.

FINALLY - This is our last call for FSA committee members for the 2024-25 school year. The list of committees and descriptions has been included on the next page. If you are interested in joining a committee and would like to know more, please reach out to us with questions at fsa@islandmontessorischool.com. We would love to tell you more about what we do and how you can help! We have several jobs both large and small that lend great support to our overall success. Positions need to be finalized by May 15th as it is time to begin planning for next year.

Thank You for Your Continued Support!
